I am interested in serving on the following committee(s) and/or advisory council(s):

- PLANNING & POLICY - Chaired by the Vice-President, this committee is charged with long range strategic planning and policy review in the best interests of AARO.
- PROGRAM - Chaired by the President-Elect, this committee is charged with planning the two annual conferences.
- FINANCE, BUDGET AND SPONSORSHIP - Chaired by the Treasurer, this committee is charged with the financial health of AARO, including forecasting of revenues, expenses and budgeting.
- COMMUNICATIONS - Chaired by an appointee of the President, this committee is charged with developing and publishing an informational newsletter, website maintenance, and promoting the Association to non-members.
- NOMINATING - Chaired by the Immediate Past President, this committee is charged with proposing a candidate(s) for each office or position within AARO for the elections held in conjunction with each fall conference.
- EDUCATION - Chaired by an appointee of the President, this committee is charged with reviewing and analyzing information relevant to producing education opportunities and developing and maintaining approved educational courses.
- APPRAISER QUALIFICATIONS ADVISORY - This advisory council is charged with acting as the 'eyes and ears' of AARO regarding the activities of the AQB, including interpreting and reviewing AQB proposals.
- USPAP ADVISORY - This advisory council is charged with acting as the 'eyes and ears' of AARO regarding the activities of the ASB, including interpreting and reviewing ASB proposals and to periodically assimilate from within the regulatory community relevant issues which in turn are communicated to the AQB for consideration.
- ASC ADVISORY - This advisory council is charged with acting as the 'eyes and ears' of AARO regarding the activities of the ASC, including interpreting and reviewing ASC proposals.
- AFFILIATE MEMBER ADVISORY - This advisory council shall facilitate cooperation and communication between the Association's appraiser professional organizations Affiliate Members and the Association's leadership and member jurisdictions. This advisory council also acts as a resource by conducting necessary research and identifying regulatory challenges faced by Affiliate Members.
