## State Agency Complaint Processes: Effective Enforcement Through Compliance with Policy Statement 7 (Understanding & Enforcing USPAP)

## ARE YOU COMPLIANT?

Is your program compliant with the Appraisal Subcommittee's (ASC) requirements? How much do you know about the ASC's Policy Statement 7 and the Uniform Standards of Professional Appraisal Practice (USPAP) requirements? Do you know the differences between USPAP requirements vs best practices? If you want answers to your regulatory board or agency compliance issues and a simplified breakdown of Policy Statement 7 and USPAP for regulator understanding, we have a class for you!

This class focuses on the importance of public trust, regulator responsibilities and troublesome areas for regulatory officials as it is a class for regulators, developed and to be offered by regulators. Don't waste time reinventing the wheel- we have you covered.

## Overview

- Part 1 - Policy Statement 7 requirements with discussion, copy of Policy Statement will be provided.
- Part 2 - USPAP Discussion with an overview of the document USPAP rules and Standards Rules and how to use it for appraisers and non-appraiser,
- Part 3 - Examples of violation to be discussed, and concerns noted in the USPAP sanction matrix which is being provided to each participant, and
- Part 4 - Steve McCaleb discussing his OK court brief.
